

REACH DECLARATION

We hereby confirm that according to European Parliament and Council Regulation 1907/2006/CE concerning the registration, evaluation, authorization and restriction of chemicals (REACH), **EVOLIS SA** products (printers, ribbons, plastic cards, spare parts, options and packaging) are considered to be “articles” under the REACH regulation.

The products we are supplying are non-chemicals products and under normal and reasonably foreseeable circumstances of application, they will not release any substance.

Therefore, the articles supplied by **EVOLIS SA** are not subject to REACH pre- registration and registration requirements.

EVOLIS SA is working closely with its suppliers in order to verify their position in relation to REACH Regulation regarding all materials and substances used in our articles.

EVOLIS SA is always committed to supply its customers with environmental friendly products. We confirm that, where appropriate, a safety data sheet for each substance and preparation has been, or will be, obtained from our suppliers. As needed, relevant safety information will be communicated up and down the supply chain.
